## Heads Up, The Time is Now!

**Heads Up, The Time is Now!** features a program by a multi-generational, multi-racial cast of exceptionally gifted musicians, whose diverse talents and genres of music on string instruments help us face our longing for life as we knew it. Our desire for progress and change, our gratitude for life, and love of family as expressed through the universal language of music will make for a satisfying evening of song. **The time is now!**

**Heads Up** will be a soul stirring, thought provoking and joyous program that can be shared virtually with friends, family, and neighbors. **The Time is Now!**
